Come Feel The Difference at Concord Academy Boyne!

See-North's Northwings Program Flies to CAB on November 21, 2008!

When was the last time you were face-to-face with a bird of prey? On Friday, November 21st, the Northwings Program of See-North will be visiting Concord Academy Boyne! With them they will be bringing raptors, most likely three different types of owls and a red-tailed hawk. After their live bird presentation, Alison Falldin and Sara Tisdell will also be leading a Rhythms Program which incorporates and connects art, writing, science and nature with the amazing birds of prey. **The cost to your child for this program is just \$2. PLEASE include your \$2 with the Compass Card and return to the school ASAP. THANKS!!**

**Have you turned
in your \$2 yet? It
should go to Mrs.
Dodd, Rm. 14!**
