## **CELL PHONES**

I want to clarify any misunderstanding that might exist concerning the use of cell phones at school. Because many students are involved in car pools and travel long distance to attend CAB, cell phones provide a valuable service for many families. Because we do not want them to interfere or interrupt the learning environment, we have decided to limit student use of cell phones to lunch times or in case of a real emergency situation and we have asked students to make all calls from the school office and NOT in class, the hallways or bathrooms. The use of cell phones at Concord Academy Boyne is considered a privilege, not a right. Violation of these guidelines could result in the loss of said privilege. As always your understanding and cooperation in this matter is appreciated.

In your service -  
Mr. Kubovchick

### **ATTENDANCE POLICY - REMINDER**

**We believe that regular, punctual attendance is a very important principle in developing a good work habit, work ethic and it greatly effects learning. Students need to be in Home Room by 8:10 AM. Any student arriving after 8:14 AM should report directly to the school office in order to obtain an “admit slip”. Excessive tardiness will be handled as a disciplinary matter and will be dealt with on an individual basis.**

**The Drama Department is looking for old jeans, t-shirts (plain), flannel shirts, & socks to use as props for the HS play. Anyone wishing to donate their old clothes can bring them to Mrs. Whittenmyer. We will be sending items to Challenge Mountain or trashing them when finished.**

***Many thanks your for your help!***

***Shane Bernier, a 7yr old boy, has been diagnosed with acute lymphoblastic leukemia. His one wish is to beat the world record for the most birthday cards received!***

***His birthday is May 30th. Let’s help make his wish come true. Home made cards are greatly appreciated, but they are NOT included in the official count. Please donate a card, and write Shane an inspirational message. There will be a box in the front entry way to drop cards in. For additional information, please contact Haley Birdsall (12th grade).***

**2nd grade class** made \$145.05 at their Bake Sales. The class will soon decide what types of landscaping materials they will purchase for the school.

Thanks for your support!
